

Be a Tour Guide at Historic Yellow Springs!

Over 20,000 visitors come to the Village of Yellow Springs each year. These visitors come as individuals, families, scouts, students, and community groups. Our HYS Guides greet many of these visitors and lead them on an exciting tour that includes unique stories from six eras in America's past. HYS Guides are committed to sharing the Yellow Springs story in ways that engage, enlighten and entertain our visitors.

We would like to invite you to become a Village Tour Guide!

Our Guides generally meet the first Wednesday of each month. We have selected training dates planned as needed and we pair up new persons with seasoned guides who mentor you through the orientation presentation and tours. This lively group supports HYS in volunteering their time by interacting with visitors and assisting with research in our archives on the various topics of Yellow Springs' diverse and exciting history.
